

KENNETH ANSON

GOLF COURSE SUPERINTENDENT

QUALIFICATIONS

- Experience at several leading clubs in the Northeast, including the highly demanding New York and Philadelphia markets
- Thorough knowledge and hands-on involvement in construction, with ability to meet deadlines and budgetary goals using contractors or in-house staff
- Motivated leader with talent to organize and manage staff to perform at a highly efficient level to meet member expectations
- Ability to deliver superb conditions through years of honing skills in agronomics and management
- Passion for the game of golf with an understanding of course conditioning through the player's perspective

PROFESSIONAL EXPERIENCE

PARAMOUNT COUNTRY CLUB NEW CITY, NY

GOLF COURSE SUPERINTENDENT 2024-PRESENT

18-hole private facility designed by A.W. Tillinghast in the demanding New York City metropolitan area.

- Directly oversee and manage the entire maintenance operation; planning and implementation of annual budget, projects and course infrastructure, staffing, and cultural practices
- Elevated conditioning with sound agronomic practices developed over career to meet member demands
- Diligently maintain records for all required annual governmental filings, state and local permits, with latest technology
- Deliver a complete club experience through management of ancillary areas, clubhouse, snow removal, etc.
- Successfully implemented large scale tree program to improve conditions and playing strategy
- Irrigation projects completed to improve efficiency; central command redesign and updated satellites
- Integral in the planning and implementation of greenside bunker renovation, retention pond, pump house, and nursery

TRUMP NATIONAL GOLF CLUB OF PHILADELPHIA PINE HILL, NJ

GOLF COURSE SUPERINTENDENT 2020-2024
